MOUNTAIN BREEZE

DEDICATION

To Our Dear Friend

John Watts Hevener, fellow classmate, who is a polio patient at Milton Hospital, Milton, West Virginia—We respectfully dedicate this Mountain Breeze.

The first school in the vicinity of Greenbank was erected in 1780. It was a typical pay school of that period; the fee was paid by boarding the teacher a certain length of time, according to the number of scholars in the school.

As Greenbank became a larger place than a one-house-town, a school was erected below the town at what was then known as the Crossroads, and named after the location. The school lasted until the year 1820, and then a school was built on what is now the property of John R. Gum which was then known as Cartmill Creek. This school served the purpose of educating the pioneer children for a decade or more.

As churches were built with better regard to the density of the people, the session rooms became the school houses, the session room of Liberty Church being one of the most important in Greenbank Community. The session room schools were usually taught by the pastor, and if the pastor did not teach, outside teachers would teach a term of three months for a dollar a scholar if there were as many as ten scholars.

The session room schools lasted until 1842, when the Greenbank Academy was erected where the Odd Fellows Lodge Hall now stands in Greenbank. This was the first free school and was first taught by Professor Benjamin Arbogast, who had influenced the founding of it. The usual number attending was sixty-five to seventy-five. This school was part of the academy program of the County which called for the erection of three academies: at Greenbank, Huntersville, and Hillsboro. These three buildings were of brick and were the most modern buildings in the County. Most of the people in Greenbank District sent their children to this school. These scholars boarded at Greenbank for there was no method of conveyance from the more distant homes.

When a student had finished this school he could attend Institute for a week, and then pass a test given and prepared by the County Superintendent and become qualified for a teaching position. Greenbank District had its own Board of Education at that time, so the teachers went before them to qualify for a job. But they had to have as many as two trustees of the three to sign their contract before the job was forthcoming; the salary being about sixty dollars per month.

A few months after the Civil War, the building was remodeled and changed to a two-storied one and renamed the "Advanced School." It had a high standard of education.

The Old Academy served until 1916; the last session being taught by C. E. Flynn, who later became County Superintendent. Its place was taken by the High School.

In the year 1916, John W. Goodsell, President of the Board of Education, with the aid of Dr. Leland Moomau, founded the Greenbank High School with the grade school being in the same building. The first levy of money called for enough money to build the part known a few years ago as the high school part, which extended from the front of the building to the present end of the press room. At first high school and grades were taught in the same part, but as enrollment increased, the building was extended to the beginning of the gymnasium, and a few years later the gym and the rooms above it were erected. This last was completed in 1926.

Quite a dispute was aroused over the location of the building, so it was submitted to a popular vote. The main candidates for the election were Cass, Dumore, Durbin, and Greenbank, with the latter coming in ahead with a fair majority.

The first term of school opened in the fall of 1918 with a small enrollment. The first principal was W. P. Haught of Bristol, W. Va., with Miss Lucy Meredith, Margaret Hunt, and Lillian Moomau as assistants.

The first graduate of the school in 1919 was Grace Curry, who had attended Marlinton for three years. In the year 1920, there were five graduates: Virginia Dare Moomau, Helen Beard, Bertie Beard, Lillian Beard and Lucille Oliver. In 1921 there were ten graduates, fifteen in 1922, fourteen in 1923, nineteen in 1924, and so on.

N. Phay Taylor, the second principal, was succeeded by T. P. Harwood, who served nine years as principal. Mr. Harwood was replaced in 1931 by John Roach, who served four years. In 1946, Claude A. McMillion became principal and served until his death in the spring of 1945, when Mr. Mack Brooks, Assistant County Superintendent, served until the end of the term. In the fall of 1945, Mr. Virgil B. Harris of Gassaway, W. Va., became principal and has served ever since.

Basketball started early in the school's history; football not until 1926—first touchdown for the school was made by Alen Hiner in a game with White Sulphur. Home Economics was installed about three years after the founding of the school. The F. H. A. Club was organized in 1930 and is one of the oldest in the state. In 1930, a separate Vo-Ag building was constructed; the following year a huge garage. Hot Lunch Program for Greenbank High and Grade School was introduced about fifteen years ago. In 1936 a new addition to the main building was made and steam heat was installed. In 1944 the G. H. S. Band was organized under the direction of Miss Anna Margaret Johnson. In 1946 a new floor was laid in the gym. A new heating system installed. Pocahontas County added County Music Supervision in 1948. Miss Dorothy McNeel now serves in that department. In 1947, the P. A. System was installed.

In 1946, the lunch room was remodeled, enabling the Hot Lunch program to prepare and serve the daily noon meals to over 300 pupils and personnel. With the addition of a large deep freeze, the Vo-Ag department students butcher and freeze the meat served at these meals. Mrs. Rachel Wooddell continues to supervise this program. The County Health Immunization Program began about 24 years ago under the supervision of Drs. J. C. McCutcheon and U. H. Hannah. During the past three years, the Baby Clinic sponsored by the Farm Women's Club and directed by Dr. A. E. Amick of Greenbrier County, has served the community with monthly meetings at the high school during the year.

In 1950, the G. H. S. basketball team won the Sectional Tournament at Hillsboro, the Regional Tournament at Ronceverte, and traveled to the State Tournament where they were defeated by Athens, who later placed first in the Tournament.

In 1951 the G. H. S. basketball team won the Sectional Tournament at Hillsboro, the Regional Tournament at Ronceverte, the Area Tournament at Pineville and runner-up at the Class B Tournament at Morgantown.

CLASS PROPHECY

Jo Betty Pritchard is raising a football team. P. S. Their coaching father is a former student of Coach Harold Mosser.

Lloyd Nicely still carries the torch for a certain blonde. Do any of you former G.H.S. students recall this "budding romance."

Joanne Rose won the "Miss America" contest. Despite the years that have slowly crept up, she has kept her pleasing personality and winning smile.

Richard Nottingham is the only accomplished farmer of our class. He owes his success to the training he received in G.H.S. as a Future Farmer.

Millie Ryder, is an old maid because "Papa won't let her get married"—we wonder what happened to that great love affair between she and "Puff."

Betty Ruth Sheets now holds an important job as dress designer and was chosen "Best Dressed Woman of America."

Marlin Shears has a big plantation in Dixie—He fell in love with the name!

Virginia Shepherd is moving from port to port following the "Navy." She heard a sailor had a girl in every port—just to make sure, she's following Bob.

Steve Barnasky is the owner of the Mattress and Sleeping Pill Company.. Now that Steve is a millionaire his favorite pastime is testing his mattresses.

Patsy Elbon is now famous all over the world for her poetic ability. Our children are studying Elbon right along with Tennyson and Shakespeare.

Johnny Brown is top crooner of all teenagers throughout the country, a combination of Van Johnson and Bing Crosby. We knew Johnny would go places.

Betty Grogg is peddling WARES for Bob and Company.

Grey Cassell ::noses" out Jimmy Durante for top show "billing."

Evelyn Hevener, a college graduate is on the faculty of G.H.S., French-Major.

Kenneth Cassell has made the big time with his sparkling smile, a television announcer for Pepsodent Tooth Paste.

Dicel Hoover is a happy housewife with a brood of 5 or 6.

CLASS HISTORY

The great halls of learning known as Greenbank High School opened wide its doors in the fall of 1947 to a struggling, bewildered, and somewhat lost looking, would be scholars. This group was us or we, anyhow we were they! We soon learned that the term "Green Horn" applied to us in a somewhat realistic manner. Our "orientation," brief and painful, left us so deflated that the brightest thing about us was our name—"Freshie." But once established we strove into the fray with banners flying.

We elected the following students to serve us through the first year: President: William Sutton Vice-President: Johnny Brown, Secretary: Marlin Shears, Representative; Kenneth Cassell, Cheerleader: Wanda Belle Tracy. The guiding hands of our class were Miss Post, Miss Johnson, and Mr. Hill.

Along with us came three new teachers: Mr. Mosser, Coach; Miss Parg, Commercial Instructor; and in February, Mr. Roy Anderson arrived to fill the vacancy of Miss Johnson, who left her position to be married.

One of the main activities of this year was the taking part in the Homecoming Celebration. Our class, along with the others sponsored a float for the parade at the half of the Homecoming game, Marlinton vs. Greenbank.

Many of our members joined the F. F. A., F. H. A., Band, and Glee Club. Several of the boys showed real ability in athletics.

At Christmas time some of our class members participated in a Christmas Pageant under the direction of Miss Johnson, Mrs. Coyner, Miss Smith, and Mrs. Davis.

The three members selected from our class to serve in the "Snack and Smack" Club were Betty Ruth Sheets, Betty Lowe and Jo Betty Pritchard.

The football boys traveled to Lewisburg to win the Greenbrier Valley Championship.

Both F. F. A. and F. H. A. sponsored parties but the big social event of the Freshmen Class was our spring picnic.

Thus the school year which seemed so long in the beginning came all too quickly to a close and we're off for a summer vacation.

The following fall our group returned in a somewhat smaller number. The most of us came back with the will to work to make our class one of the best.

The officers elected to lead us through our second year were President: William Sutton, Vice President: Betty Ruth Sheets, Secretary-Treasurer: Elaine Peck, Representative, Kenneth Cassell, Cheerleader; Wanda Tracy. Our sponsors for this year were Miss Smith and Mr. Riley.

Our first class party was held in the Gymnasium in the early fall. It remains in our memories as one of the happiest times of our school days.

We welcomed our new music teacher, Miss Ellis from Glenville. The Glee Club presented an Easter Cantata in the churches of different communities. The music festival was held for the first time at Marlinton.

The Varsity "G" Club was organized this year. All boys earning a letter either from basketball or football were eligible for membership.

Good behavior and good discipline is an outstanding virtue of our class.

Upper classmen—Juniors, we can hardly believe that we must put away our childish ways and childish things.

This year our number is even smaller, many have dropped by the wayside, however, our class is more determined than ever to make an outstanding place for ourselves in the history of the school.

Class officers elected this year were: President William Sutton, Vice-President: Betty Ruth Sheets, Secretary: Elaine Peck, Treasurer; Grey Cassell, Representative; Kenneth Cassell, and Cheerleader: Barbara Howell. Our class sponsors were Mrs. Coyner and Mr. Mosser.

CLASS HISTORY

We welcomed the new teachers, a new music teacher, Miss Stephaine Bendix from New York, new Librarian, Miss Lambert and an additional social study teacher, Mr. McElwee of Dumore, a former graduate of G.H.S., Mr. Raymond Swadley, a graduate of W. Va. University, filled Mr. Smith's position as Vo-Ag instructor, while Mr. Smith was completing work for his Masters Degree at W. Va. University. He remained on the teaching staff after Mr. Smith returned.

During the summer, fire escapes were installed to insure the safety of the students.

In the early part of our Junior year we held our Junior party. It was a very enjoyable occasion.

We had a successful year in both football and basketball. Both teams won high honors for themselves.

The Junior English Class debated with the Senior Government Class on the question of Socialized Medicine, with our Junior English Class winning.

Following the custom of the past Juniors were host at the Prom given for the seniors. Happy memories of this occasion will linger long with us.

When presentation of awards were made at graduation, Jo Betty Pritchard was chosen by the American Legion Auxiliary to attend Girls State Camp at Jackson's Mill.

With our senior year challenging us we worked eagerly on.

Struggling, striving and ever pushing onward we have finally reached our goal. At last we have reached the year to which all our past efforts have led. Here we are dignified seniors! Unbelievable but true. Since our freshmen days we have grown to maturity so that we are hardly recognizable. The years that seemed so long at first have passed us by with fleeting wings. We realize now that our happy school days are passing all too quickly.

The days of this, our senior year, were packed with excitement and new adventure.

At class election the following were elected to serve us through our last year. President: William Sutton, Vice-President: Betty Ruth Sheets, Secretary: Elaine Peck, Treasurer: Gray Cassell, and Cheerleader, John Brown. Our class sponsors were Mr. Blackhurst and Miss Parg.

We warmly welcomed the following new faculty members. Mrs. Florence Bailey, Music Instructor, Mr. John Townsend, Social Study Teacher and Band Director, Mr. Ralph Micheal, Librarian, Mr. John Micheal, Social Study Teacher, replacing Mr. McElwee who was called into the service in the early fall.

The first Homecoming Dance was held in the Gymnasium after the Homecoming Game with Webster Springs. King and Queen of the Homcoming were Frank Collins and Betty Ruth Sheets.

The sad event of our senior year was the news that our dear friend, classmate, and football star, Johnny Hevener, was stricken with Polio. This deeply touched the hearts of the Football Squad and urged them on to victory.

This was a successful year for both football and basketball. We were especially proud of our basketball team, who went through the season undefeated, but best of all, were Class B State Runners-Up.

During January our school strived diligently to raise money for the polio drive. Our class came in ahead with \$179.86. The winner receiving for its efforts a free party.

The highlights of our senior year were the days we received our class rings, cards, senior pictures and announcements.

We deeply appreciated the Prom given to us by the juniors. This was the big social event of the year and many happy memories will linger in our hearts.

Last but not least came our senior sneak day, Baccalaureate, Class night, and finally Commencement. These nights were filled with both laughter and tears. Thus ended our high school days; but not our school day memories. We can truthfully say from the bottom of our hearts that we are proud to be members of the graduating class of 1951. We look forward to the days ahead, but we shall never cease to recall the many happy days we have spent in the halls of G.H.S.

SENIOR PLAY

The annual Senior Play was presented April 13. The three-act mystery "Going, Going, Gone," by B. M. Bowman, was a pronounced success.

The outstanding feature of the play was the excellent balance of dramatic skill. Each member of the cast gave a performance of superior quality.

Synopsis of the Play:

When the hand of an Egyptian Mummy is found in a cave near the American Fishing Lodge of the Stewart's it suddenly arouses a great flurry of interest. From far away Egypt and points of the United States strange characters arrive. All have a single purpose; to gain possession of the hand! The trouble is that the hand has disappeared.

For additional complications a banshee has been waiting about the premises ever since the hand was first found. Dad Hayes is certain the waiting is that of the dead Egyptian in search of its missing hand.

The two Egyptians add interest to the search by offering large sums for the recovery of the hand. The reason for such value is not discovered until a new arrival discloses that, clenched in the fist is the secret key to discovery of a fabulously rich tomb.

Both Egyptians prove to be crooks and the hand, found at last, is restored to the rightful place.

Oriental mystery is furnished by Harrahan and Farak. Dad Hayes and the Tacketts make comedy enough to keep everyone amused. For the romantic there is love interest furnished by June, Sue, Cliff and Jerry. In short the play offers a variety of entertainment that pleases any audience member.

WINTER SCENES

The Coming of Winter

SHROUDED IN WHITE, A GHOSTLY THING,

CAME IN THE MIDDLE OF NIGHT ———

SWEPT OVER THE MOUNTAINS AND HILLS AND DALES,

LEFT A COVER OF BEAUTIFUL WHITE.

This poem was written by Patsy Sue Elbon of Greenbank High School, Greenbank, West Virginia. W. E. Glackhurst, Teacher. It was published in the Special Issue of Creative Writing in the West Virginia Education Bulletin, Featuring The Young Poet, An Anthology of High School Verse.

FUTURE HOMEMAKERS OF AMERICA

ADVANCED HOME ECONOMICS CLASS

FUTURE FARMERS

WHAT IT IS—WHAT IT DOES

The Future Farmers of America or "F. F. A." as it is commonly known, is the state and national organization of, by, and for boys studying vocational, agriculture in public secondary schools. It is an educational, non-profit, non-political farm youth organization of voluntary membership, designed to develop agricultural leadership, character, thrift, scholarship, co-operation, citizenship and patriotism. Its members learn, through participating experiences, how to conduct and take part in public meetings, to speak in public, to solve their own problems, and to assume civic responsibility. The F. F. A. is an intra-curricular part of vocational education in agriculture in the public school system.

Activities of the G. H. S. Chapter this year include the following: formal initiation of G. H. S. Green Hands and chapter farmers, Observance of national F. F. A. Week, Parliamentary Procedure Contest and Federation Public Speaking, Federation Field Day, Check Exhibitions at county, state, and Dunbar fairs, Printing of Chapter newsheet, participation in Federation and State F. F. A. Contest, Father and Son Banquet and Radio recordings.

The G. H. S. Club received honorable mention from the State department for 1949 and '50.

SAFETY CLUB

The class in Driver's Education was added to our curriculum in the school year of 1947-48. Since then, more than a hundred students have been trained in operation skills as well as aided in developing proper driving attitudes.

Such a course in our secondary schools has been necessitated by the tremendous social problem which has resulted from the large increase of vehicles using our highways. If the school system has as one of its primary aims the solving of a community's problems then certainly a class in Driver's Education has an important position in its curriculum.

It is not a first purpose of this club to train the student in various highway skills. It is rather a prime objective to inculcate upon the mind of the prospective driver that there exist highway manners as well as table manners which if practiced lead toward safer and more pleasant driving.

GREENBANK ANNUAL HOMECOMING

Greenbank High School held it's Annual Homecoming, October 7, 1950. The feature of the day was the football game between the "Golden Eagles" and Webster Springs "Wildcats."

For the first time in the history of our school, a P. A. system was installed in the field for the afternoon events. The F. F. A. exhibited a novel float "Greenbank We're Pulling For You."

At the half the annual coronation of G. H. S. King and Queen was held.

A parade of the G. H. S. graduates, representative the years from 1920 to 1950 marched around the field while the band played "Auld Land Syne."

The final event of the day was Homecoming Dance held in the Greenbank High School Gymnasium from 9 to 12.
